

Green Valley Escapes

Terms and Conditions

Please read all the following guidelines and reservation policies.

Housekeeping: There is a cleaning fee for each stay. The home is equipped with bed linens, bath and kitchen towels, soap and starter kitchen supplies. In order to make your stay as comfortable and as stress-free as possible you will not need to do laundry on your day of departure. The beds will be made up with fresh linens when you arrive and fresh towels will be laid out. Soon before or after you arrive, a set of fresh linens and towels will be delivered to the house. Please put these away in the appropriate bath or bedroom. During your stay I ask that you keep up on laundry and keep towels, linens, etc., folded and put away.

On your day of departure, strip the linens from the bed or beds you used the night before and place those and currently-used towels (one per person please) on top of the washing machine to be laundered by the cleaning service. Then make the bed or beds with fresh linens for the next guest. The intent is to minimize the amount of time it takes to pack up and leave on your departure day.

Deposit/Cancellations/Payments: A non-refundable deposit is due at the time of booking to confirm a reservation. The balance is due 60 days prior to arrival. It is preferred that payments be made by cash or check, there is an option to pay with a credit card. An additional credit card processing fee will be charged. All payments are payable in US dollars. All payments are non-refundable.

Smoking: Smoking is not permitted inside the home or anywhere on the property. If there is evidence that smoking has occurred you will be charged an additional cleaning and ionization service fee. This policy is **STRICTLY ENFORCED** and **IS NOT** covered by Accidental Damage Protection.

Maximum Occupancy: The home accommodates a maximum of 4 guests for a 2 bedroom home and 2 guests for a one bedroom home. The number of guests occupying this property is limited to the number stated at the time of reservation. Violation of this policy may result in immediate eviction from the property with no refund of any rental charges.

Phone Service: Please plan to bring your cell phone with you to make any necessary phone calls.

Age Restriction Policy: The home owners' associations in Green Valley require that one occupant be 55 years of age or greater. By making a deposit you are confirming that you comply with this age restriction. Of course, your children and grandchildren may visit! Visitors under the age of 55 are welcome to stay for 30 days or less.

Pet Policy: Sorry, pets are not allowed.

Parking: There is space for one car. The car must be parked inside the garage or in the assigned space depending upon the home you rent. No RV parking is allowed. This is an HOA rule and is strictly enforced. Please plan to drive/rent a car that will fit inside a standard garage/carport. My apologies, but there are no exceptions to this rule.

Energy Conservation: During your stay I would appreciate your consideration in the use of electricity, especially use of air conditioning. Energy costs are quite high in our area. As a guideline I ask that you don't set the cooling/heating temperature below/above 74 degrees. The house has a programmable thermostat that I have set to cool and heat the house to a comfortable level during the day with a bit higher setting during sleeping hours. If using A/C and you are away for all or a portion of the day please set the thermostat to about 78 during your absence to save energy.

Contact Information: It is required that you supply me with a contact phone number for you while you are in Green Valley in case of emergency.

Damage and Unauthorized Use: Guests will be responsible for any property damage over and above normal wear and tear, property theft and unauthorized use of the property during the contract period. Please report any damage at check-In or upon occurrence to us immediately. We are not responsible for the loss, theft or damage to Guest's personal property.

Parties and Events: I do not rent this property for the purpose of celebrating an event or to individuals whose intention is to allow people on the property in excess of the occupancy listed at the time of reservation of the property for any reason without the express written consent of the owner.

Bugs and ... yes cockroaches: Cockroaches are perhaps the most despised pests in the world but they are very common in desert areas. The property is cleaned after every rental and receives regular monthly pest control treatments. They are a part of life and do not mean the property has been poorly maintained. Things you can do to help: Plastic, not paper. They love paper and glue, so bag your groceries in reusable fabric or plastic bags so the bugs don't travel with you. Keep food sealed. All food should be stored either in the refrigerator or in sealed packages or containers. We recommend that you use Zip-Loc® type storage bags and re-sealable containers for your leftovers. Keep the house clean. Clean up all areas where food is prepared and served, clean up spills and crumbs from snack foods immediately and don't leave dirty dishes or food lying around. It is recommended to run water down every drain on a weekly basis even if you are not using them (including the washing machine and dish washer). At the end of your stay please pour 1 cup of bleach down every drain and flush for 3-4 minutes with HOT tap water. This can produce some fumes, so stand back. Wash your hands thoroughly after you are done.

Firearms: Firearms are not allowed.

Indemnification: Guests agree to defend, indemnify and save free and harmless the individual owners, and its employees, for any liabilities or any loss or damage whatsoever arising from, related to, or in any way connected with the rental of the premises, including but not limited to, any claim or liability of personal injury or damage or loss of property which is incurred or sustained by the Renter or other guest at the property.

Travel Insurance: Because travel involves unique risks, we recommend that you purchase Travel Insurance (Trip Interruption/Cancellation Insurance) to protect yourself against the financial loss that would result if you had to cancel, delay or shorten your trip due to unforeseen events such as illness or injury, flight delays, auto accidents or breakdowns, severe weather or evacuations, or a host of other circumstances. Comprehensive yet economic policies are widely available from a number of providers.
